

Inessa Stewart's Antiques, Inc. Privacy Policy

For purposes of sales transactions that use our online shopping cart, Inessa Stewart's Antiques, Inc. must collect the following information: name, home address, shipping address, email address, phone numbers, credit card information, and IP address. This sensitive data is encrypted and available only to a very small group of website administrators.

We collect only the information required in the checkout cart which is the minimum needed to successfully process a charge on your chosen credit card. We do not use cookies or other trackers to collect any additional information about our customers.

We use the data collected solely to process each individual sale and do not retain credit card information for later use. We will use your email address and phone number only to complete the transaction which includes delivery coordination with your selected shipper of choice.

All data is encrypted and protected immediately upon your entry via *SSL/TLS*.

If you would like to reset your password you can do so by clicking on "Forgot your password?" at the login screen and proceed as directed. If you encounter difficulties or wish to discuss any other issues related to your purchase or our site, please email John Stewart at john@inessa.com for assistance.
