

# About Us ~ About Our Baton Rouge Showroom

The moment you pass through the entrance of Inessa Stewart's Antiques & Interiors flagship showroom, you discover yourself amidst the timeless treasures of 18<sup>th</sup> and 19<sup>th</sup> century France. Described as "the most exciting antique showroom in the South",

Inessa Stewart's Antiques is now recognized as the premier source of classic French & continental European antiques in the region. A magnificent, ever-changing selection resulting from monthly shipments makes a visit to Inessa Stewart's Antiques ~ Baton Rouge truly an experience to relish and savor like a fine wine!

Although the showroom is enormous, sumptuous European antiques, gilded mirrors, oil

paintings, floral designs, chandeliers, and a multitude of fine Old World-style accessories are arranged in a multitude of vignettes throughout the showroom for a warm, inviting atmosphere.

Another distinct showroom exists on the second floor, with a somewhat more relaxed, casual effect. However, items representing styles that run the gamut from ancient classical motifs to rustic country French, and everything in between, are scattered throughout both floors of the showroom.

The opening of the fabulous 25,000 square-foot facility at 5330 Bluebonnet Boulevard in Baton Rouge represented the combined efforts of years of work. Architectural antiques were used inside and out to make the structure truly unique. From the spire atop the turret to the cast-iron dormers to the beautiful wrought iron and antique doors, the exterior exudes Old World charm. Antique architectural elements in the interior, include a stunning wrought iron stair rail.

*Only 50 minutes* FROM NEW ORLEANS INTERNATIONAL AIRPORT, Inessa Stewart's Antiques ~ Baton Rouge is open 10 am to 5 pm Monday through Saturday.
